

It's time to Stand Up For Africa!

Would you like to do something sociable and fun, and help vulnerable children in Africa at the same time? Why not start a SUFA Support Group?

WHAT IS A SUPPORT GROUP?

SUFA Groups are informal and sociable. They give each member a chance to help tackle poverty and suffering in Africa, and to network with like-minded people.

You could start a Group at your university, college or school. Or you might want to set up a Group for members of your religious group, community, or association. All you need is a bit of spare time, plenty of enthusiasm, and a desire to Make Poverty History in Africa.

WHAT DO SUPPORT GROUPS DO?

Support Group activities vary according to members' interests. Most Support Groups exist to help SUFA take actions against poverty and suffering in Africa through campaigning and fundraising.

Fundraising could involve organising events such as sponsored walks and football matches, themed parties and treasure hunts. While we could be asking groups to take part in specific campaign actions over the next years, such as joining SUFA at campaign events or petitioning our leaders to do more to end poverty in Africa.

HOW DO SUPPORT GROUPS HELP?

We are currently asking Groups to fundraise for our Maison de l'Enfance Project (House of Childhood Project) in Benin, West Africa. The new Maison will protect and support vulnerable and abused children.

So what are you waiting for? Bring your friends and contacts together and start Standing Up For Africa today!
